8th India Rendezvous

21-23 January 2015 • Taj Lands End, Mumbai, India

With the theme of "The Dynamics of Regional Reinsurance - A SAARC Perspective", we shall engage representatives from South Asian markets including Bangladesh, Bhutan, Nepal, Pakistan and Sri Lanka. It will build upon the themes of the past two years on "Back to Basics" (2013) and "Lessons from the Basics for the Sustainable Future" (2014).

Over the 8 years since its launch, the India Rendezvous, organised jointly by GIC Re and Asia Insurance Review has become a major event on the Asian insurance calendar and for those serving the Indian market, it is a Must-Attend event.

And this year responding to the space constraints of the past three years, we are moving the venue to Taj Lands End, still in Mumbai, to bring together more than 650 delegates both from the Indian, regional and international markets, to look at reinsurance renewal dynamics in the Indian and SAARC markets.

Working on the successful format of the past, each Indian ceding company will be represented by three senior managers as well as have a table at the Rendezvous to promote intensive bilateral discussions and networking.

Special areas at the Taj Lands End will be set for bilateral
